## Science Council of New York City

[www.sconyc.org](http://www.sconyc.org)

Fall 2017,

Dear Exhibitor:

Science Council of New York City is having their 40th annual conference on Saturday, March 24, 2018 at Stuyvesant High School.

As an exhibitor, you will have the opportunity to meet and to speak with metropolitan New York City pre-service and in-service teachers, from elementary through college levels. These educators want and need this convention...and they want to see what your company has to offer. Supervisors will be looking to you for assistance in planning for texts, materials and services to comply with New York State Science Learning Standards, MST Learning Standards, Science Scope and Sequence, Common Core Learning Standards and The Next Generation Science Standards.

Our exhibit hall, the spacious Stuyvesant High School gymnasium, is within a short walk from workshops and meeting rooms. We have coordinated the convention workshops, so that the exhibit viewing will be at its maximum. A newly revised schedule will give you greater opportunity to meet science educators. **Per the request of many exhibitors, the exhibit hall will be opened 45 minutes earlier. The new time will be from 9:00 am to 12:30 pm.**

**DO NOT DELAY!!!** UNDRAPED EXHIBIT TABLES (6 FT X 2 1/2 FT) are still \$175.00. To reserve your exhibit table(s), complete the attached reservation form. Reservations received by **February 28, 2018** will have the discounted fee of only **\$175.00** per exhibit table. **After February 28**, the cost increases to **\$200.00\***. Reservations must be received by **March 12, 2018** for guaranteed inclusion in the convention booklet and prime exhibit space. Space is limited; reservations may not be accepted after **March 14, 2018**.

Interested in giving a workshop? Exhibitors are encouraged to present workshops; it helps to “sell” your product or services (workshop proposal forms can be found at [www.sconyc-nyc.org](http://www.sconyc-nyc.org)). Interested in advertising in the convention booklet?

Yours truly,

Dawn L. Campbell  
Exhibit Coordinator

\*cancellation requires two weeks written notice for full refund.

Fall 2017,

Dear Science Supplier,

On March 24, 2018 the Science Council of New York City will be holding its 40<sup>th</sup> annual conference. The SCONYC Conference is the only Science conference held in the metropolitan area that involves teachers from K-12. Each participant receives a copy of the Program Directory, which offers you a unique opportunity to reach some of the most motivated and professionally oriented educators in the metropolitan area. If you would like to place an advertisement in the 2018 Program Directory, please send your camera-ready, **black and white** material on disk or email to address below. If you are interested in becoming a **Corporate Sponsor**, please see the attached.

Below is the advertising rate schedule. Make checks payable to SCONYC and send with your artwork to:

Gail David  
18-15 215<sup>th</sup> Street  
Bayside, NY 11350  
Cell/Office 718-344-8946 / 718-225-6420  
E-mail: [gidavid@aol.com](mailto:gidavid@aol.com)

Full Page Ad to fit 8 ½ x 11 - \$175.00  
Double Page Spread to fit 2-8 ½ x 11 - \$300.00  
Back Cover to fit 8 ½ x 11 - \$200.00  
Half Page Ad (8 x 5) - \$100.00

**Deadline Date is February 24, 2018**
